REMARKS/ARGUMENTS**Election/Restriction**

The Examiner objects to the claims contending that they are directed to more than one invention. The Examiner has split the claims into Group 1 (claims 1-4, 7, 9-11 and 18-23) and Group 2 (claims 5-6 and 12-17). In response, Applicant elects Group 1 (claims 1-4, 7, 9-11 and 18-23). Claims 5-6 and 12-17 have been withdrawn.

In view of the foregoing, early favorable consideration of this application is earnestly solicited.

Respectfully submitted,

DAVID FALCONER
